During the term of this Agreement, submissive agrees to diligently and conscientiously exert their best effort to discharge the duties presented by Dominant ("Duties"). The duties shall include providing personal attention during daily activities of communion, camaraderie and companionship. The duties shall include those particularly described in exhibit "A", attached hereto, and those given verbally on an "as needed" basis.

2. Status and Obligation of submissive

   (a) Relationship. Submissive shall trust that Dominant will never purposefully place submissive into situations which are dangerous or could cause permanent or disfiguring injury. As such, submissive does agree to perform any activity Dominant requires, requests or suggests, without question or delay, regardless of location, time of day or personal discomfort, under penalty of punishment as described in 6(a) below.

   (b) Independence. Submissive enters into this Agreement as, and shall continue to be, a single person. As such, submissive shall not be entitled to any benefits accorded to Dominant's spouse including, support, medical or dental care, participation in decisions regarding properties, or compensation after dissolution of this Agreement. As such, Dominant may provide any benefit without obligation or implication to its continuance.

   (c) No Agency. This Agreement does not create a relationship between Dominant and submissive. Submissive shall not hold themselves out as a spouse, affiliate, partner, agent or representative of Dominant. Submissive is not granted any right or authority to assume or create any obligation or responsibility, express or implied, on behalf of or in the name of Dominant, or to bind Dominant in any manner.

   (d) Negation of Relationship. Nothing in this Agreement shall be construed to create any further agreement for indefinite or specific term of stay between Dominant on one hand and submissive on the other hand.

   (e) Payment of personal expenses. Submissive shall be solely responsible for the payment of any bills or assessments imposed on account of personal obligations including, without limitations, auto, home, insurance, or other encumbrances of a personal nature. As such, Dominant may decide to extent financial aid to submissive, at any time or for any situation, without obligation of continuance.

Term. The term of this Agreement shall commence on the date provided in the first paragraph of this Agreement and terminate on the same date __________ months hence, unless sooner terminated in accordance with Section 4 below. The term may be extended for additional periods of time as agreed to by mutual written consent of the Dominant and submissive.
3. **Compensation and expenses for submissive**

   (a) **Compensation.** In consideration for Services, Dominant shall provide clothing, room, and board. The compensation for Services shall be made directly to submissive as such.

   (b) **Expenses.** In addition to compensation provided according to Section 3(a) above, Dominant shall reimburse submissive for all expenses that submissive reasonably incurs in the performance of this Agreement, including without limitation travel, and meal and lodging costs, provided that such expenses are supported by original receipts and that submissive obtains prior authorization in writing from Dominant before incurring any such expenses. Submissive shall maintain true and correct records of all activities relating to the provided expenses. Submissive shall present, when requested, any and all records for inspection and may be submitted to punishments if said records are not in proper order.

4. **Termination of Agreement**

   (a) **Notice.** Dominant and/or submissive may terminate this Agreement immediately upon written notice to the other party. Such termination shall be without prejudice to any right or remedy either Dominant or submissive may have as a result of this Agreement or due to a failure of the other to perform their obligations under this Agreement. Notwithstanding the foregoing, Dominant may terminate this Agreement, effective immediately, if submissive breaches or threatens to breach any provision of this Agreement.

   (b) **Compensation.** If this Agreement is terminated by Dominant, submissive shall be entitled to full reimbursement for all expenses already incurred and for performance of Services prior to the date of termination, for which Dominant is obligated to as described in Section 3(b) above, subject to the limitations on reimbursement of expenses paid or incurred prior to the effective date of termination. Such payments shall constitute full settlement of any and all claims of submissive of every description against Dominant.

5. **Consequence and Refusal**

   (a) **Discipline.** All Services performed by submissive shall be considered binding obligations while directed during the effective period of this Agreement. As such, and under Dominant’s exclusive discretion, provisions for the punishment of submissive for refusal to perform, or when submissive becomes lax in their diligence, may be presented on an “as needed” basis and as required to provide direction and training to submissive. Any punishment deemed necessary for the direction or training of submissive may be performed immediately, regardless of location, time of day or personal discomfort, or scheduled for a later time or location depending entirely on the circumstances of the offence and the desires of Dominant.

   (b) **Safe Word.** Establishment of a "Safe word" is for the safety of submissive and shall be acted upon according to the sane judgement of Dominant. The chosen "Safe Word" means to stop the scene or activity completely, and is used when submissive wishes to terminate the activity. Submissive’s chosen Safe Word will be: __________. If no Safe Word is provided (as indicated by the word "None"), it is agreed that no verbal termination (pleading, begging or bargaining) will be provided at any time during the term of this Agreement. If it is deemed that the chosen safe word is being used excessively, or without regard to actual conditions, severe punishment of submissive is warranted for Safe Word abuse.

6. **Ownership of Materials.** All materials produced as a result of this Agreement, including but not limited to images, logs, records and files, that Dominant or submissive may make, conceive, or be a part of, either solely or jointly with others during the period of service with Dominant shall belong exclusively to Dominant. Without limiting the foregoing, submissive agrees that any such original works (collectively, "Works") shall be deemed to be "works made for hire", submissive agrees to, and does hereby assign all rights to Works exclusively to Dominant notwithstanding the term of this Agreement.

7. **General Provisions.**

   (a) **Assignment.** Dominant’s rights and obligations under this Agreement shall inure to the benefit of and be binding upon Dominant’s assigns and successors. Any successor or assignee of Dominant is authorized to enforce the restrictive covenants of this Agreement as if the name of such successor or assignee replaced Dominant throughout this Agreement. Since this Agreement is personal to submissive, their obligations under this Agreement may not be assigned or transferred to any successor or assignee.

   (b) **Restrictive Covenants.** The parties acknowledge that the restrictive covenants in this Agreement are essential independent elements of this Agreement and that but for submissive agreeing to comply with them, Dominant would not have contracted with or have continued to contract with submissive. Accordingly, the existence of any claim by submissive against Dominant, whether based on this Agreement or otherwise, shall not operate as a defense to Dominant’s enforcement of any restrictive covenant against submissive.

   (c) **Breach.** Each provision of this Agreement to be performed by a party shall be deemed both a covenant and a condition and shall be a material consideration for the performance of each party's obligations hereunder. Any breach thereof by a party shall be deemed a material default hereunder.
IN WITNESS WHEREOF, the parties to this Agreement, having fully read and understand all provisions herein, have executed this SUBMISSIVE LIFESTYLE AGREEMENT as of the date written in the first paragraph above.

1. Your paramount duty to me is honesty. If at any time you are restrained in a way which causes physical pain, you are to inform me immediately. If you do not understand why something is being done, you must ask for clarification. If you are uncertain about some aspect of your servitude, you are to ask for explanation. A respectful question or observation will never result in punishment.

2. In consideration for the "Vanilla" World, you (my submissive) will act as a "free" person while in social settings which require this demeanor, yet always defer to me (your Master) no matter what the circumstances. This is not to imply that submissive may act in an inappropriate manner at any time.

3. You must refer to me; by a name of respect (e.g. My name or other endearment) when we are in the presence of those we are familiar with in the "vanilla" World (Outside of the D/s lifestyle); as "Sir" when we are in public where others could hear; and "Master" or "My Master" all other times.

4. You must maintain your personal cleanliness and hygiene on a regular basis, after which you will apply makeup with a sense of beauty and modesty, optionally with my observation and always with my approval.

5. You will dress yourself only in clothing approved by me. Special outfits will be worn when performing specific activities and you will maintain a list of my wishes in this regard.

6. You will never wear any garment which would impair direct contact with your genital or breast region, such as a bra, panties or shorts, unless given specific release to do so. As well, when wearing a dress or skirt, you will never sit upon the clothing you wear. The dress or skirt will be lifted and you will sit upon the surface in direct contact with your bare skin.

7. You will not, under any circumstances, resist or impair any advances or activities that may be presented by me or my assignee. Your purpose and goal in this relationship is as an “owned object” and, as such, you will act willingly and wantonly to all activities presented.

8. You will maintain a journal of your life, containing your feelings, thoughts and experiences. Writing in this journal at least once per day.
